Wide range of use and exceptional attributes

Markets, stands, mobile

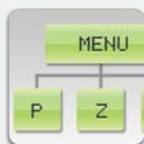

Fast food, Snacks-bar

Small stores, butchers, food

Hairdressing salons, barber beautician studio

The Euro-50TE Mini is designed for smaller shops. Activities mainly in mobile sales to markets, car parks, rent, food and small cafeterias, sweetshop but also in hairdressing salons, fitness centers and the like. Through the timeless and elegant appearance of the cash register, you will leave the impression of modern business to your customer.

It has never been so easy!

Is a complete new programming of cash register through simple and intuitive menu, which allows for easy control of the cash register, but also the rapid training of new personnel.

Take a truly mobile!

Thanks to replaceable battery without the need for disassembling of cash register, with walkers up to 12 hours of continuous accounting and re-charging the batteries in 3 hours, you become truly mobile and independent of the electricity network.

Keep cash register on hand at all times.

Its small size and low weight makes it easily transmissible cash register. Through the strap, which can be easily catch on the underside of the cash it can be suspended on the neck or over the shoulder. Its stable position, might be found on the tables of any shop.

Resistant keyboard with really large keys.

Less dirt among the keys and keyboard and easier maintenance are important features of this portable cash register, which will facilitate the work in the field as well as its overall maintenance.
